

Information Sheet

THE 7 WONDERS OF GREAT LEADERS[™] & DiSC[®]

The 7 Wonders of Great Leaders[™] bring team leaders the tools for managing the team structure and the essential leadership behaviors. This wise combination boosts managers to the “great leaders” level.

A supplementary dimension adds even more value to this combination: my own social style within the organization and the one of the people I am addressing myself. The DiSC[®] model brings the simple yet powerful language for this human dimension.

Objectives and Content

The objectives of this workshop are:

- Enhance the practical application of the 7 Wonders of Great Leaders[™];
- Enhance the mastery of the 4 DiSC[®];
- Translate into practical behaviors the essential actions of the 7 Wonders of Great Leaders[™];
- Discover and master the blended adaptation of those essential 7WGL[™] actions to each DiSC[®] Social Style;
- Understand how each leader’s behavior is perceived by different Social Styles;
- Discover and integrate the wise contributions and the black spots related to each Social Style performing a 7WGL[™] action;
- Share experiences and real situations together.

Methodology

This workshop is organized around a minimum of concepts and a maximum of practical exercises. According to the needed pre-work (see below), the essential conceptual bases are already acquired. A combination of brief recaps, exercises, video, simulations, role-plays and action plans constitutes the methodology of this interactive workshop.

Participants

The target public varies from General Management to freshly promoted supervisors.

Pre-requisite

This workshop includes two pre-requisites that can be obtain in different ways:

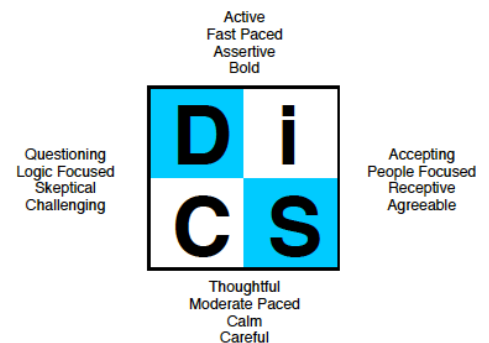

1. The standard workshop of the 7 Wonders of Great Leaders™
2. The standard workshop on DiSC® Social Styles.

Practical details

One day is needed for this workshop. A specific adaptation to the client need and situation can be performed upon request.

Each participant receives:

- A 27 pages manual integrating all concepts, exercises and action plans;
- An add-on to the manual containing all suggested answers of all exercises. This add-on serves as a reference guide;
- A laminated reminder;
- Access to the resources on www.7wgl.com.
